

## ToDo-List App Outputs:

### Initial Screenshot:

Add a item:

The screenshot shows a browser window titled "Todo List in React" at "localhost:3000". The page has a header "Todo Input" with a text input field containing "Hello It Was A Great Day" and a blue "add item" button. Below it is a section titled "Todo List" with a red "Clear List" button.

The screenshot shows the same browser window after an item has been added. The "Todo Input" section now has an empty text input field and a blue "add item" button. The "Todo List" section displays the single item "Hello It Was A Great Day" in a list, accompanied by a green edit icon and a red delete icon. A red "Clear List" button is also present below the list.

Add Another Item:

The screenshot shows a browser window titled "Todo List in React" at "localhost:3000". The page has a header bar with various links. Below the header is a "Todo Input" section with a text input field containing "Hey!" and a blue "add item" button. Underneath is a "Todo List" section displaying a single item: "Hello It Was A Great Day" with edit and delete icons. At the bottom is a red "Clear List" button.

The screenshot shows the same browser window after adding another item. The "Todo Input" section now has an empty text input field and a blue "add item" button. The "Todo List" section now displays two items: "Hello It Was A Great Day" and "Hey!", each with edit and delete icons. At the bottom is a red "Clear List" button.

Edit the added item:

The screenshot shows a browser window titled "Todo List in React" at "localhost:3000". The interface is divided into two main sections: "Todo Input" and "Todo List".

**Todo Input:** Contains a text input field with the placeholder "Add A Todo Item" and a blue "add item" button.

**Todo List:** Displays a single item: "Hello It Was A Great Day". To the right of each item are edit and delete icons. Below the list is a prominent red "Clear List" button.

Remove an Item:

The screenshot shows the same browser window after an item has been removed from the list.

**Todo Input:** The text input field is now empty, and the "add item" button is blue.

**Todo List:** The item "Hello It Was A Great Day" has been replaced by "Hey!". The edit and delete icons are present next to it. The red "Clear List" button remains at the bottom.
